

Buenos Ayres 31st May 1834. ³²⁰

G. T. Whittington Esq^r London

Sir,

I received a few days since your favors of 6th December and 30th Jan^y last, the former enclosing a letter from our mutual friend William Langdon Esq^r, all which I shall do myself the pleasure to answer fully, by another opportunity, sending you also the documents you require; which I can not do now for want of time. However for the present it may suffice to state, as I hereby do, that I confirm on you, your heirs or assigns for ever, all the grants, rights, privileges and authorisations which I had conferr'd on William Langdon Esq^r, and which were by him endorsed to you.

I shall be very happy to see your endeavors for the speedy colonisation of the Falklands crown'd with complete success, to which I shall contribute as much as lays in my power, on joint account with you, and join you in the undertaking.

You will oblige me by sending me all the particulars of the steps you have hitherto taken and am with great regard and esteem
Yours obed^t Serv^t
